New Beginnings

“It is of the Lord’s mercies that we are not consumed, because his compassions fail not. They are new every morning: great is thy faithfulness.” (Lamentations 3:22-23)

God’s mercies are new every morning. No matter what yesterday held, today begins with fresh grace. Step forward knowing God is faithful to renew your strength.

Every new day is a reminder that God is not finished with us. No matter what yesterday held—failures, regrets, or weariness—God’s mercy meets us fresh each morning. His compassion is not depleted by our mistakes, nor does His love grow tired. Instead, He offers grace that is renewed daily, perfectly suited for the challenges ahead.

New beginnings are not earned; they are given. God’s faithfulness does not depend on our consistency but on His unchanging character. When we wake up to a new day, we wake up to new mercy, new strength, and new hope. Even in seasons of difficulty or uncertainty, we can trust that God is still working, still loving, and still faithful.

Today, receive the gift of a fresh start. Let go of yesterday’s burdens and step forward in confidence, knowing that the same God who carried you before is with you now. His mercies are new—just for you—today.

Prayer:

Lord, thank You for Your unfailing love and daily mercy. Help me to embrace this new beginning with faith and gratitude. Renew my heart, strengthen my spirit, and guide my steps today. Amen.

God Bless You May Heaven Have A Smile Upon You!
